HOUGHTON MIFFLIN, United States, 2016. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book. Alternately lyrical and laugh-out-loud funny. New York Times Deliciously readable . . . Donald Hall, if abandoned by the muse of poetry, has wrought his prose to a keen autumnal edge. Wall Street Journal His entire life, Donald Hall has dedicated himself to the written word, putting together a storied career as a poet, essayist, and memoirist. Now, in the unknown, unanticipated galaxy of very old age, he is writing essays that startle, move, and delight. In *Essays After Eighty*, Hall ruminates on his past: thirty was terrifying, forty I never noticed because I was drunk, fifty was best with a total change of life, sixty extended the bliss of fifty . . . He also addresses his present: When I turned eighty and rubbed testosterone on my chest, my beard roared like a lion and gained four inches. Most memorably, Hall writes about his enduring love affair with his ancestral Eagle Pond Farm and with the writing life that sustains him every day: Yesterday my first nap was at 9:30 a.m., but when I awoke I wrote again. Alluring, inspirational hominess . . . *Essays After Eighty* is a treasure . . . balancing frankness about losses with humor and gratitude. Washington Post A fine book of remembering all sorts of things past, *Essays After Eighty* is to be treasured. Boston Globe.
