THE ARCTIC PRAIRIES

Cosimo Classics. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 7.9in. x 4.8in. x 1.1in. July 19. -I got up at 4, talked strong talk, so actually got away at 5: 30. Plenty grumbling, many meals to-day, with many black looks and occasional remarks in English: Grub no good. Three days ago these men were starving on one meal a day; now they have bacon, dried venison, fresh fish, fresh game, potatoes, flour, baking powder, tea, coffee, milk sugar. . . To day they made 6 meals and 17 miles-this is magnificent. -from *The Voyage Across the Lake In 1907*, Ernest Thompson Seton, self-made outdoorsman, embarked upon a 2, 000-mile, six-month canoe journey across northern Canada in search of the caribou. What he found was lazy Indian guides, swarms of mosquitoes, and frontier characters galore. . . as well as abundant wildlife, lush vegetation, and singular experiences such as hunting buffalo and acting as medicine man in remote villages, all of which he shares with us with a dogged spirit and an unflagging enthusiasm. Illustrated with dozens of Setons charming line drawings and numerous photos of lost places and a time now almost forgotten, this is a hearty, real-life adventure yarn to appeal to the little boy in all of us. Writer and self-trained naturalist, ERNEST THOMPSON SETON (1860-1946) was born in Scotland and emigrated to Canada as a child. He helped found the Boy Scouts of America and wrote dozens of books extolling wildlife and the natural world, including his most famous and enduring work, *Wild Animals I Have Known* (1898), a novel. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
