## Bible Revisited: A Science Fiction Retelling of Genesis

By Daylord Moon

Createspace, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book of Genesis in Bible has a fantastic story of the encounters between God and mankind, and a literal interpretation of that story runs counter to the current knowledge of physical sciences that mankind has. It leads to a natural question - Can a version of the Genesis be created which is not at odds with the current scientific knowledge, yet remain reasonably close to the original narrative? In this book, you will find a science-fiction version of Bible, one in which the different encounters that happen between God and mankind are narrated in a different manner. Once you read the version in this book, you will definitely wonder whether the fictional narrative in this book may indeed be closer to the truth than a literal interpretation of the holy book. From the story of creation to the struggle between Jacob and the angel, you will find a narration of Genesis which is completely plausible and consistent with the current scientific knowledge. You will find an explanation for creation within seven days, the obtaining of knowledge by...
