*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

MIRROR IMAGES: SEEING YOURSELF IN OTHER PEOPLE

SPCK Publishing. Paperback. Book Condition: new. BRAND NEW, Mirror Images: Seeing Yourself in Other People, David Adam, In "Mirror Images", David Adam reflects on human encounters - on how we meet others in their otherness and through them the great 'Other' who is God. Characters in the book include the bird-watcher who has a greater sense of wonder and awe than many who call themselves Christian; the 'Snow White' woman who is fading away for lack of love; the man who needs to drink and cannot live easily without doing so, and the fan who is almost possessed by the team he supports. Each chapter ends with a look at a biblical character (Abraham, Jacob, David and Isaiah are among those featured), who has something to teach us about ourselves and our inner make-up. We will then be able to reflect further on our own way of living and how other people may see us.
