Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

(Alec Langosh)

Penguin Putnam Inc, United States, 2012. Paperback. Book Condition: New. Original. 168 x 106 mm. Language: English . Brand New Book. For millennia, Cassiel was a powerful Djinn--until she was exiled to live among mortals. Now the threat of an apocalypse looms, and Cassiel is in danger of losing everything she has come to hold dear. As the world begins to fall apart around her, Cassiel finds herself fighting those she once called her own: the Djinn. With Weather Warden Luis Rocha and the rescued child Ibby by her side, Cassiel struggles to find a way to protect those who are in her charge and come to terms with the leadership role she never asked for. Cassiel is opposed by Pearl--a powerful Djinn bent on raising an army of kidnapped Warden children to bring about nothing less than the end of the world. It will take everything Cassiel has to stop the Djinn from starting a war that will wipe all of humanity from the face of the earth. She knows that this might not be a battle she can survive, but protecting those she loves is worth any cost.
