John Wiley Sons Inc, United States, 2015. Hardback. Book Condition: New. 231 x 157 mm. Language: English . Brand New Book. High-value talent management must be relevant to today s workplace Misplaced Talent takes a hard look at the cluttered field of Talent Management, and offers a clear guide to making better people decisions in any organization. Deliberately challenging practitioners to do more, this insightful discussion sorts through the tools and techniques developed over the last century to examine their true relevance to the modern workplace. This book is a guide to bringing HR up to date, giving you the tools, techniques, and perspective you need to demonstrate more value to your organization. \* Adopt the tools and techniques most effective in today s workplace \* Identify and discard methods that don t add value to the organization \* Implement critical changes that can transform the HR function \* Make better people decisions based on psychology and research Fundamentally, not much has changed in what constitutes good people practice. Practitioners must demonstrate the value of Talent Management, but the solutions implemented...
