## A MELODY IN THE WILDERNESS

The story interspersed between past and present dealing extensively with American society and polity. The American Civil War in the context of Gettysburg battle, the Great Depression in 1920s and the recession in the beginning of the 21st century, social scenario in the late 20th and early 21st century pop up in the novel. Deserted by her bio-technologist Indian husband, Gayatri had to scout for a foothold on this alien shore and she blossomed.
